
WHAT IS A DEPENDENCY?

WEDNESDAY

January 26th, 2022

2:00-3:00PM

PRESENTED BY: Maria Avila, CASA Program Coordinator

Come learn *what* a dependency is and *how* it can progress through the courts.

Being involved in a legal case can be very stressful, especially for families and children. This webinar will focus on the people and court process involved in a dependency case. Participants will leave this session understanding precisely when a dependency begins, how it ends, and the various potential steps to navigate in between, and a variety of new legal terms and acronyms.
